

# CONSTITUTIONAL THINKING

SERIES EDITORS:

SANFORD LEVINSON, JEFFREY K. TULIS,  
EMILY ZACKIN, AND MARIAH ZEISBERG

Books in the series will develop constitutional theory beyond legalistic concerns by examining such matters as institutional development; public policy; and political behavior, culture, and theory. The editorial approach, then, favors a constitutional theory embracing the full range of activities relevant to the making, maintenance, and reform of constitutions and constitutional cultures.
